Wardens' Letter

January 1, 2014

Hello Fellow Parishioners:

This will be Pattie Gallatin's last Wardens' Letter to the congregation, as her term of office on the Vestry concludes with this upcoming Annual Meeting on February 2nd. She wants the Parish to know that it has been a privilege to serve the church in this capacity, and it was great working with all the members of the Vestry, with our wonderful Interim Rector Father Charlie Colwell, as well as all those in the Christ Church family. And she appreciates all the support from everyone in caring for the church, whether it was the Parish House clean-out in Fall 2012 or the leaf raking just this past November. Everyone pitched in cheerfully to get the work done. Pattie also thanks everyone for their helpful suggestions to make Christ Church a warm, welcoming parish for our current and future church family.

As Pattie steps down, Junior Warden Ariana Tadler Paterson will become Senior Warden, and the following are nominated for election to the Vestry at the Annual Meeting: for Junior Warden Bill Siener, and for Vestry members Kathy Bindert, Gloria Ryan, and Dan Wright. We are grateful they have agreed to serve in this important year for Christ Church, as we work to select a new Rector. And we thank the Nominating Committee, including Holly Melichar, Audrey Eisser, Jeannine Daly and Heather Bennett for recommending this slate of candidates.

We are also very appreciative to have a strong Search Committee, chaired by Andy Phillips, with committee members Ted Andel, Heather Bennett, Arlene Blocker and Jeff Lightcap. We are receiving candidate names through January 31, 2014, and as of this writing we have received submissions from ten serious candidates. If you know of any potential candidates, please encourage them to submit their resumes for consideration. We hope to interview candidates and have a new Rector selected by May, so that the new Rector and his/her family can move in by the summer and start serving the church in the fall.

Another important effort is Stewardship. The Stewardship Letter for 2014 is out now and should have arrived in your mailbox. We ask that you give your prayerful consideration as to how you might support Christ Church in the coming year – a critical turning point for our Church and its future as we call a new priest and prepare for the opening of our renovated Parish House, which involves new and increased costs. Please also consider the thoughts shared by Father Charlie Colwell in his letter to the Parish in December, reminding us that for our church to thrive, we must give from our substance, not merely the excess balance, if there is any. Doing so makes us whole – a Parish committed to the mission and spirit of Christ Church, enabling us to sustain our church and do good works, as God calls us to do.

Detailed next is an update from Father Lowry on the progress of the Parish House and the Rectory renovation, which he continues to honcho as Project Manager, with our thanks. It is obvious to all that it will be well into the first quarter of 2014 before the Parish Hall will be completed. This is in accordance with the contract, but several months later than the contractor had hoped. There were several complications with the sewer hook-up, which delayed the turn-over of the bank building to Citicorp for interior work, which in turn delayed the opening of the bank, which delayed the completion of the parking lot.

The sewer problem was caused by the discovery of Verizon junction boxes adjacent to the main sewer pipe in the middle of Northern Boulevard. Apparently the boxes were originally MCI equipment that came over to Verizon upon the demise of MCI-Worldcom. The Great Neck Sewer District knew nothing about this impediment so they approved the sewer hook-up design and only when Northern Boulevard was opened to hook up a 14 inch, gravity feed sewer pipe was it discovered that only a 6 inch pipe could fit through the junction boxes. It was necessary to re-design the whole system, add a small pump station and change the location of the hook-up to the sewer. This added to the costs and delayed parts of the project.

Otherwise, all is going well. Most of the stucco work has been completed and the framing-out of the interior of the Parish Hall is complete. Temporary window coverings are in place and the electricity and heating should allow for work to continue during inclement weather.

Now, to the Rectory at 54 George Street: The church is applying for a Certificate of Existing Use for the Rectory which has proven to be a time-consuming and detail-oriented process. Among the

structural work is repair/refurbishment of the current structure, insulation and siding, window replacement and the repair of the porch. Work on the garage should begin in the coming week or weeks.

Father Lowry continues to supervise the Project, coming to town about once a month. He also is doing well in his treatments for lung cancer. And he and Mary have settled into New Orleans; their daughter being married in their new home in November.

In other news, the Vestry of Christ Church also is working with the Children's Orchestra Society and the New Heart Mission Church, both of which organizations have long partnered with us. Children's Orchestra Society wants to return as a tenant one day a week, and New Heart wants to continue using our church. We are negotiating with them on the use of the facilities, the hours and days of use, the upkeep and maintenance required, and the appropriate rents applicable. We will keep you apprised of our progress on these talks with them.

Lastly, there are many activities underway for January. Check the calendar inside the Chart to read all about them.

With blessings,

Pattie Gallatin
Senior Warden

Ariana Tadler Paterson
Junior Warden

Parish Notes:

A Message from our Director of Spiritual Formation

Living in Faith, not Fear

Why are you fearful? —Matthew 8:26

When I was a child, I was afraid of the dark. No sooner had my parents turned out the lights, I was certain there were monsters under my bed that were going to eat me in the middle of the night. Needless to say, I fought to stay awake, so I could protect myself from any and all upcoming attacks!

Over the years, I have come to realize that fear is not just a childhood experience. It comes in all shapes and sizes – anticipation, worry, nervousness, concern, excitement, anxiety, dread, tension, angst, stress, terror, panic, fright, phobia - and can affect every area of our life in both simple and complex ways.

Indeed, some fear is healthy. "Fight or flight" is an emotional response that kept our ancestors safe at a time when loved ones were being devoured by lions. However, in today's world, despite the lack of hungry lions, fear still rises to an intense, unhealthy level that prevents us from embracing a full life, fulfilling our dreams, trying new things, learning to let go, trusting and growing closer to God. Left to our own devices, we are up against a lot of scary monsters under our beds.

I tend to feel fear every January, at the beginning of the New Year. The hectic Christmas season is over, and the world takes on a quieter, slower pace. As I jump back into my regular life, I feel apprehension about what to expect. *What work will I find stacked on my desk? How many emails will I need to read and return? Will I be able to accomplish everything on my "to do" list? More importantly: What will this new year bring? What things does God have in store for me? Will I fulfill my goals and dreams? What challenges await me?*

The Bible states that we are not supposed to worry, but live our lives with faith, hope and love. "Fear Not." (Isaiah 43:1) "Perfect love drives out fear." (1 John 4:18) "Faith is being sure of what we hope for." (Hebrews 11:1) "The Lord is faithful; he will strengthen you and guard you from the evil one." (2 Thessalonians 3:3) "Therefore I tell you, do not worry about your life." (Matthew 6:25). We are clearly being told, over and over, that God has it covered. Perhaps if I had known this as a child, I would have gotten a better night's sleep!

Thank God I know this now, so when fear arises, I imagine Jesus asking, "Why are you fearful?" and can use faith, hope and love to work through my emotions. It can be difficult, and no one can do it alone. That's why we have dedicated two events this month for all of us to explore Jesus' important question in more detail:

Taking Risks: New Year's Youth Dinner **Friday, January 10, 6:30pm**

All youth, 6th - 12th grade, are welcome for a delicious meal, interesting conversation and creative activities around the important topic of taking risks in the new year.

Living In Faith, Not Fear: A New Year's Retreat, Glen Cove Mansion **Saturday January 11, 9am – 2:30pm**

All adults are invited to join us for a special New Year's retreat day to explore this age-old faith challenge within our 21st century realities. Retreat includes interactive group sessions, lively conversation, Bible study, writing activities, quiet time and personal reflection.

I hope you'll be able to join us at these events. In the meantime, I pray you have a faithful and fearless new year!

Blessings,

Lesley Mazzotta, Director of Spiritual Formation

The following are nominated for election to the Vestry: for Junior Warden Bill Siener; for Vestry members Kathy Bindert, Gloria Ryan, and Dan Wright. Stewardship Campaign

The kick off for the Stewardship Campaign began in December. Your annual financial pledge to Christ Church will be used for the care of our church and its facilities and to ensure that we are able to provide services, programs, fellowship and mission outreach, as we are called to do as Christians. The Church needs such funds to operate. Expenses relating to the Church and its grounds have continued to rise, and income from our prior resources has dissipated. We are asking that you prayerfully reflect on what Christ Church means to your family and the community at large, and to consider how you can support our ministry financially in 2014.

This week you should be receiving the 2013 year end statement, should you have any questions concerning your 2013 contributions compared to your pledge, please contact Donna Cullinan-Gillis at the Parish office at 627-2184 or admin@christchurchmanhasset.org.

Saturday, January 11, 2013, 9:00 am – 2:30 pm

What did Jesus mean when he said, "I came that they may have life, and have it abundantly" (John 10:10)? What fears hold us back from living this scriptural promise of a full, vibrant, joyous life? What spiritual tools can help transform unhelpful habits, belief systems and daily life struggles that block us from creating a stronger, more faithful relationship with God? How can we live boldly into God's deepest desires, hopes and plans for us in this brand new year?

Join us for a special New Year's retreat day to explore this age-old faith challenge within our 21st century realities. Rev. James Eastland of Locust Valley Reformed Church, Rev. Steve Pierce of Community Reformed Church Manhasset and Lesley Mazzotta, Director of Spiritual Formation at CRC/Christ Episcopal Church will guide participants through interactive group sessions, lively conversation, Bible study, writing activities, quiet time and personal reflection.

Annual Meeting

Sunday, February 2

Christ Church will host its Annual Meeting on **Sunday, February 2nd**. This is a very important Christ Church meeting, and we urge all parishioners to attend. Among the agenda topics to be covered are a Financial Report from the Treasurer on the fiscal health of the church and the 2014 budget projections; a report from Andy Phillips, Chair of the Rector Search Committee, on the progress and timeline of the Rector Search; a report on the progress of the Parish House construction; reports from the various church committees – Altar Guild, Music Program, Public Relations, Sunday School, etc. Plus the election and installation of a new junior warden and three Vestry members. REMINDER: Church Committee reports are due in the church office by Wednesday, January 15, 2014, so they can be included in the Annual Report.

While parents are attending the meeting, the children have the opportunity to do another very worthwhile outreach project. They will stay in the CRC Sunday school building and work on the Valentine's for Vets. The time set aside for this (during the annual meeting) is the only opportunity the children will have to do this project. The cards we make will be mailed to the VA Medical Center in Northport and are put on their meal trays to brighten the Veterans' day. The more cards we have, the better. Let's try to beat our card total from last year and let those who have done so much for us know we're thinking of them.
