

Lesley Mazzotta, Director of Spiritual Formation

Lesley joined the staff in summer 2012 after spending 15 years as a producer, writer and project manager on Broadway and in the entertainment business. Her greatest passion is creating and implementing rich, imaginative curriculum and programming that inspire and educate children and young adults of all ages. She now uses her experience and enthusiasm to envision, develop, manage and facilitate ongoing programs that support the spiritual growth of Christ Church children and youth, helping them apply the Christian faith to all areas of their lives. Lesley is currently at General Theological Seminary, pursuing a certificate in spiritual direction, with a focus on guidance for children. In her spare time, she loves tennis, the theater, and spending as much time as possible with family and friends in her hometown on Cape Cod.
